

A note of explanation

Whilst in previous years we have held our Christmas season events in St. Andrew's, work begins this year on 31st October installing a brand-new heating system, which means that the church will be closed for several weeks. It's a big job for which the exact duration is difficult to predict, but we are hoping that the work will be completed in time for Christmas.

We are therefore most grateful to Bishop Auckland Methodist Church and to St. Mary's RC Church for agreeing to host these events this year and look forward to being with them and welcoming you all again.

I hope you will give both events your full support: they are a most enjoyable way of beginning the Christmas Season and for a very good cause.
